

Chester Education Foundation: Blueprint for Success and Summer STEP

Have you seen CEF's banner at 9th and Avenue of the States? Thanks to [Roe Fabricators, Inc.](#) of Chester, CEF has a wonderful banner inviting 16-to-24-year-olds to sign up for one of our college and career preparation programs, STEP or Blueprint for Success.

Summer STEP is underway with high school students engaged in paid internships with local employers. Additionally, we are currently enrolling 18-24 year old high school graduates to enroll in **Blueprint for Success**, a 10-week program that includes college and career advising, resume preparation, a paid internship and job placement.

For more information, contact Elaine Green-Upton at Chester Education Foundation, 610-364-1212.

During the June CTC meeting, we asked attendees to answer the following trivia question:

Q: "What year did Memorial Park Pool open in Chester?"

A: "1999"

After much conversation about access, maintenance, safety, and childhood summer pool memories during the meeting, we thought our CTC community may be interested in the following articles, including one about our neighbors in Yeadon at the Nile
