AmeriCorps Seniors

Help Your Community by Helping the Children

- Are you a retired Delaware County resident over 55?
- Have you been looking for something rewarding to do with your time?
- Do you want to make a difference in your community by helping the children?

If you answered yes, and your income falls within federal guidelines, AmeriCorps Seniors Delaware County Foster Grandparent Program may be right for you.

As a volunteer, you will encourage, guide, and mentor children for a minimum of 15 hours a week, helping them grow academically and emotionally.

Your unique talents, life experiences, and skills will help these children thrive. And by giving of your time, you will gain the fulfillment that comes from knowing you are needed.

Like one volunteer says: “The kids keep me young!”

Apply to be a volunteer with the Delaware County Foster Grandparents Program, a part of AmeriCorps Seniors. Eligible applicants will receive a stipend and help with transportation as needed. (AmeriCorps Seniors is a federal program connecting individuals and organizations through service and volunteering to tackle the country’s most pressing challenges.)
